Sleep Apnea / Snoring

- Evaluate for Oral Appliance Therapy

Note to Patient.

Please be advised that your appointment time will be reserved for you to have a thorough examination with Dr. Demerjian. We encourage you to download your patient history questionnaire from our website at www.tmjconnection.com and have it filled out prior to your appointment. If you are unable to fill out new patient paperwork prior to your scheduled appointment, please arrive 30 minutes early in order to do so as we strive to be on time with your appointment.
